

## **CALIFORNIA PRIVACY RIGHTS**

In addition to the rights explained in the **Privacy Policy**, California residents may request certain information regarding EGB's disclosure of Personal Information (as defined under California law) to third parties for their direct marketing purposes. If applicable, this list would include the categories of Personal Information and the names and addresses of those businesses with which EGB shared such information for the immediately prior calendar year (*i.e.*, 2015 requests will receive information regarding 2014 sharing activities).

To obtain this information, send a request to [californiaprivacy@egbexperience.com](mailto:californiaprivacy@egbexperience.com). Please put "Request for California Privacy Information" in the subject line, and your full name, street address, city, state, zip code, and EGB member number, if applicable, in the body of your request. Also, please provide enough information in the body of your request for EGB to determine if this notice applies to you. You must attest to the fact that you are a California resident and provide a current email address for EGB's response. Please note EGB will only accept requests sent to [californiaprivacy@egbexperience.com](mailto:californiaprivacy@egbexperience.com) and is not responsible for requests not properly labeled or sent or that do not contain the information requested herein.
